FOR KIDS

So cute you'll want to pinch it
 yourself, 1 Treehouse Blue's
 crocheted tea set (£31.50,
treehouseblue.co.uk) is not only
 durable and sweet, it's feel-good.
 The sets are knitted by Chinese
 farm women – giving them an
 income outside the harvest
 season. If your little monster
 needs a critter to cuddle, look
 at 2 the Natural Collection's
 organic baby bunny (£17.95,
naturalcollection.com).
 And if you want to encourage
 them to hang their clothes up,
 put some 3 Tatty Bumpkin
 Fairtrade cute and bendy
 hangers (£21.28 for a set

of five, tattybumpkin.com)
 in their stockings. And keep
 them occupied at Christmas
 with 4 a Kitty craft kit (£6.50,
treehouseblue.co.uk), that
 lets them make their own
 fabric mementos. Cute!

FOR ANYONE

Need to buy a gift for someone you don't know
 well? An elegant Fairtrade mirror frame should
 go down a treat (main picture, £17.95, naturalcollection.com), while Natural Magic's lovely,
 non-toxic organic candles (£35) and room
 sprays (£28, both naturalmagicuk.com) are
 must-haves for home-bodies. Candles always
 make homes cosy, so how about three hand-
 carved mango wood tea light holders (main
 pic, £7.95, naturalcollection.com)? Chocolate
 goes down a treat – make it organic with
 Green and Black's
 luxury assortment
 (right, £7.99) or Booja
 Booja's Champagne
 truffles (even the
 fizz is organic!)
 from bynature.co.uk
 (£7.29). Yum!
